Achievements and performance for the year ending 5 April 2024

Fund Raising events

Throughout the year repeated fund-raising appeals were issued by charity board members and friends of JSS in UK for their continuing support which was well received. All funds generated were either from pre-existing monthly direct debits from the friends of JSS in UK or as one-time donations from new donors. FOJSS in UK is extremely grateful to all the friends for their excellent support throughout the pandemic.

This FY year, FOJSS UK Diwali dinner was organised in November 23. Funding pledges were raised for supporting the JSS village health/social programme.

As previously our cost of delivering aid to JSS remains very low at less than 2% of our income. All the functionaries and trustees continue to work on an honorary basis.

Education and Training

Unfortunately, the planned annual trustee visit to FOJSS Bilaspur could not materialise due to various logistical reasons. This has not affected our support for various health related programmes which continues as planned.

Annual General Meeting

For various reasons the AGM had to be postponed and is now re-scheduled for 6.7.24, The minutes will be appended to our website in due course of time.
